

Sahil Verma

Data Analyst | +91-9876XXXXXX | sahilverma@gmail.com | linkedin.com/in/sahilverma

Career Summary

Detail-oriented Data Analyst fresher skilled in SQL, Python, Excel, and Power BI. Strong at data cleaning, visualization, and problem-solving. Passionate about turning raw data into meaningful insights that help businesses make better decisions.

Skills

- SQL (queries, joins, subqueries)
- Python (Pandas, NumPy, Matplotlib, Seaborn)
- Data Visualization: Excel (Advanced), Power BI, Tableau
- Data Cleaning, EDA, and Descriptive Statistics

Experience

Data Analyst Intern | Insight Analytics (Remote) | Jan 2025 – Mar 2025

- Cleaned and standardized a dataset of 75K+ records across multiple sources, enabling consistent reporting.
- Designed Excel templates with pivot tables and lookups, reducing reporting time by 30%.
- Built interactive Power BI dashboards to track monthly revenue and customer mix.
- Worked with a team of analysts to define KPIs and validate insights.

Projects

Customer Churn Analysis | Python | Dec 2024 – Jan 2025

- Analyzed behavior of 7K+ telecom users to identify churn risk patterns.
- Created churn prediction visualizations showing that 38% of short-term plan users were high-risk.
- Suggested engagement strategies to reduce churn rates.

Sales Performance Dashboard | SQL, Power BI | Nov 2024 – Dec 2024

- Joined and transformed sales data from 3 regional tables (20K+ rows).
- Created KPIs to monitor sales trends, returns, and seasonal demand.
- Identified a 12% sales dip post-festive season in South region, helping frame recovery strategies.

Student Performance Insights | Excel, Tableau | Aug 2024 – Sep 2024

- Analyzed academic performance data of 5 departments across 3 years.
- Built a Tableau dashboard showing subject-wise trends and pass percentage improvements.
- Insights were used by faculty to plan remedial classes, improving results by 15%.

Certifications & Achievements

- Google Data Analytics Certificate – Coursera (2024).
- SQL Intermediate Certificate – HackerRank (2024, Top 5% globally).
- Final Year Project Award – College (2025).

Education

B.Sc. Information Technology | XYZ College, Ranchi | Graduated: 2025 | CGPA: 8.1/10
